## THREATS TO THE KINGDOM

The monsters are coming! The *Kingmaker Pawn Box* is here to help you keep your players busy with the wide range of allies and enemies they're destined to encounter during your *Kingmaker* campaign. This jam-packed collection contains hundreds of monsters pulled from both the *Kingmaker Adventure Path* and *Kingmaker Companion Guide*, perfect for use with the *Pathfinder Roleplaying Game* or any fantasy RPG. Pawns include lumbering giants, sinister fey, carnivorous plants, wild beasts, deadly bandits, traitorous brigands, helpful companions, and more. Printed on sturdy cardstock, these pawns slot into a size-appropriate plastic base from the *Pathfinder Pawns Base Assortment*, making them easy to mix with traditional metal or plastic miniatures. The *Kingmaker Pawn Box* is the best way to ensure you've got the perfect monster on hand for every *Pathfinder Roleplaying Game* encounter!
